AMERICAN
KENNEL CLUB

Certification: Permission has been granted by the American Kennel Club for holding this event under American Kennel Club Rules and Regulations. Gina DiNardo, Secretary.

We will follow AKC and State guidelines in place at the time of the trial.

Social Distancing must be maintained at all times. We will be using the Agility Gate Smart Phone app. This will help you know when to arrive at the gate to run your dog. If you don't already have the app on your phone, download the 'Agility Gate' app. The running order and course maps for the next day will be added to the app the evening before at 6PM or later. I will put the authorization code in the final confirmation.

Masks **MUST** be worn when a person is under the roof of the arena. Masks may be removed when the handler is running, but must be put back on before leaving the ring.

NO SEATING NEAR THE RINGS OR BETWEEN THE RINGS. You may have a chair with your crates, which must be next to the arena barrier. Do not congregate around the ring entrances or exits.

Please be aware that Licensed trial secretaries are not allowed to accept incomplete or invalid entries. The following is from the AKC's directive to Trial Secretaries:

"Incomplete/Erroneous Entry Forms: A Trial Secretary may NOT make assumptions as to which class(es) or jump height an exhibitor wishes to enter.

Examples include:

Multiple jump heights circled

A jump height that does not make sense based on what was written as the dog's "height at withers"

If an exhibitor's entry form is unclear, incomplete, or erroneous, it is an invalid entry and should not be accepted. At this point, the Trial Secretary only has two options: a) Communicate with the exhibitor via email and/or phone explaining what issues exist or b) Return the invalid entry.

A Trial Secretary may NOT send a confirmation email to the exhibitor, making assumptions, asking that the exhibitor confirm that the assumptions are correct by reply email. At this point, you do not have a valid entry, therefore you should not be entering that exhibitor/dog into the trial, reserving class run counts, or sending an entry confirmation (especially a confirmation that is conditional upon receiving a reply)."

Any changes to an exhibitor's entry form must be made in writing – a reply to your email communication is acceptable, at which time, having heard from the exhibitor, you may complete the entry so long as they response prior to the closing date/time of the event. If you do not hear back by the closing date/time, you must return the invalid entry. "

MEASURING

In accordance with AKC regulations, all dogs, with the exception of 24" class dogs, must either present a temporary or permanent height card, or be measured by the judge of record prior to running. If a Voluntary Measuring Official or Rep is present at the trial ALL dogs without a valid height card must be measured. If your dog does not have a jump height card, they will need to be measured prior to running. You should carry your jump height card with you and be able to present the card if requested at the trial. It is the handler's responsibility to make sure their dog without a height card is measured prior to the commencement of their first class. Judging will not be held or interrupted for measuring.

Owners are responsible for entering the proper height divisions. Handlers of dogs in Regular Classes may opt to run in a higher height division, but not in a division lower than their proper height division. Dogs entered in the Preferred Classes **MUST** jump in their measured division and are not allowed to jump higher or lower.

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend - Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler's hand
 - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine PartnersSM** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.
