USE AGILITY GATE ON YOUR PHONE TO CHECK YOURSELF IN. ONLY THE GATE-STEWARD CAN CHECK IN DOGS AT THE PHYSICAL GATE ON THE IPAD

We are using the **Agility Gate App** for check-in; there are no physical check-in sheets. To use the app, download it free from the Appstore or Google Play. <https://agilitygate.com/>. If you prefer not to use the app you can have the gate steward check your dog in **BEFORE** you walk your class course. Running orders are posted ringside and on the trial secretary's website for you to monitor your place in line. To learn more about Agility Gate visit <https://agilitygate.com/>. There is also a video showing the apps' features. Online check-in opens at 6 AM each day of the trial.

THE CODE FOR CANINE CAPERS IS: 1105

MEASURING

Measuring of Dogs: We will have 1 VMO at the trial. Any entered dog that needs to be measured **MUST** be measured before their first run of the day. Remember: Our Volunteer Measuring Officials are **VOLUNTEERS**, for this trial our VMO is also our judge, Zack Davis. **He will measure in the morning before the trial starts.** You need to pick up a measuring form by the measure table and fill it out **BEFORE** bringing your dog to be measured.

Don't forget to have your dog's Registration number handy!

SCORING

There will be monitors available to check your scores/placement near the scoring table. Please be respectful of others around the monitors and provide for distancing when checking for results.

RESULTS will be posted by the ribbons. The Move Up-sheet will also be by the ribbons.

RIBBONS - will be available for pick-up at the trial.

This is how it works: After the judge has reviewed all scribe sheets and catalog pages for your class (or height group for Masters/Excellent) we will release individual printed ribbon labels. You will then be able to come to the Awards area and make your own ribbon(s) using these printed labels. We will try to have the labels out as soon as we can, but please be patient -- remember that the AKC requires extensive review of the results by judges before ribbons can be made available to competitors.

TITLE RIBBONS - In addition to rosettes for placements and qualifying flat ribbons, we will have New Title ribbons and MACH/PACH ribbons and bars.

Ribbons will **NOT** be mailed to you after the trial; you must pick them up by Sunday or they will be recycled.

VOLUNTEERS

A sign-up board will be set up each morning for volunteers.

You can also sign-up online until Wednesday March 8 at 12:00 noon :
